WEEKLY REPORT FOR PROCUREMENT DIVISION FOR PERIOD ENDING 16 APRIL 1986

- 1. Progress Report of Tasks Assigned by the DCI/DDCI:
 - No tasks assigned during this reporting period.
- Items or Events of Major Interest that have Occurred During the Preceding Week:
- In support of the Communications Engineering Division/Network Systems Engineering Group/Office of Information Technology, the Automated Data Processing and Engineering Branch, Procurement Division, issued a modification to a contract with Xerox Special Information Systems providing incremental funding in the amount of \$77,740. Under this contract, Xerox is working on the Computer Center Retermination phase of the Message Handling Facility development.
- The Automated Data Processing and Engineering Branch, Procurement Division, recently concluded negotiations with Systematics General Corporation, Sterling, Virginia. The resultant contract will exercise the government's first option year to provide on-site technical writer/editor services for the Information Systems Security Group/Office of Security. The Agency has realized a savings of $$2,9\overline{6}5$ or approximately 3.6% from the contractor's proposal and the negotiated agreement. A contract is expected to be in place by 30 April 1986.
- /-T The Automated Data Processing and Engineering Branch, Procurement Division, is soliciting 21 companies in a competitive procurement for systems integration support services for the COMIREX Automated Management Program. This program supports signal collection and analysis for the Intelligence Community. The estimated dollar value of this procurement is \$2M. Anticipated contract award will be 1 October 1986.

The Production and Services Contracts Branch, Procurement Division, has requested a proposal from a contractor to install a monitoring system by 1 June 1986 in the new facility for the Polygraph Division, Office of Security. The contractor has indicated that certain fire proofing requirements by the county building code authorities may increase his intended price by \$20,000. These requirements are being verified, and at this time there is no indication that the installation target date will be affected.
